The real5 for Education Monthly
Vol. 1 – Friday 19th Jun, 2026

real5
FOR EDUCATION

In association with WAPH, part of
the Wonderful Warrington Project.

A note from our real5 founder: **SUPPORTING SCHOOLS & THEIR STAFF**

Welcome to our first issue of Take 5.
Our mission at real5 for Education is simple:
making procurement personal again.
This month, we've hand picked 5 partners
who are ready to save your school & its staff
time and budget.

ANDREW HIBBERT

Working together...

The Business Win: "It's a partnership built on trust & shared values"

Since meeting Jamie and the Locking
Stumps team at the Wonderful
Warrington event in 2025 we have
completed a number of projects for not
only the school, but other schools that
they are connected to.

The School Win: "Snowdrop has been fantastic in supporting our school with leavers' hoodies, hats and special gifts."

Their communication has been clear
and responsive throughout and their
turnaround times have been excellent.
They also provided great support and
guidance when it came to choosing the
right products.
